

Moser Walter

Education:

02/1988 Phd Biomechanics & Material Sciences Technical University Munich
10/1983 – 10/ 1987 Research Engineer Material Sciences Technical University Munich
10/1980 – 02/ 1983 Mechanical Engineering & Material Sciences University Munich
10/ 1979 – 10/1980 Mechanical Engineering University Bochum
04/1987 – 05/1977 Gymnasium Natural Sciences Ellwangen
03/1961 – 03/1965 Primary School Ellwangen

Languages:

German Native speaker English Fluent, written and verbal communication
French verbal communication
Italian Basic knowledge

Professional Experience:

06/2009 CEO Atesos medical AG
01/2012 Part-time lecturer Total Joint Replacement Systems University of Bern
04/2003 - 09/2008 Director Surgical Navigation Systems Plus Orthopaedics AG
11/1999 – 04/2003 Vice President Product Development Pi Precision Implants
01/1996 – 11/1999 Director Development Joint Replacement sys Mathys Orthopaedics AG
11/1987 – 12/1995 Manager Product Development of the Ankylos Dental Implant System
03/1984 – 11/1987 Manager Product Development Knee Prosthesis Protek AG Bern assistant professor Technical University Munich, Material Science & Biomechanics, Development of the Ankylos Dental Implant System

Scientific Publications:

6 Publications Biomechanics & Materials in Dental Implants 2 Publications Biomechanics Knee Prosthesis

Patents: Inventor at 22 Patents in Dental implants & Joint Replacement
