

SIMPLE. GENTLE. POWERFUL.

Active-Tabs for cleaning trays and instruments

- Dissolves alginates and cements within a short amount of time
- Bio-degradable and pH-neutral
- Gentle to material – suitable for all rustproof metals (including aluminium) and plastics

Traypurol® tabs

Traypurol® tabs

SIMPLE. GENTLE. POWERFUL.

Simple to use

Traypurol tabs are especially simple to dose and employ. In contrast to traditional cleaning powders, they automatically, completely dissolve in water.

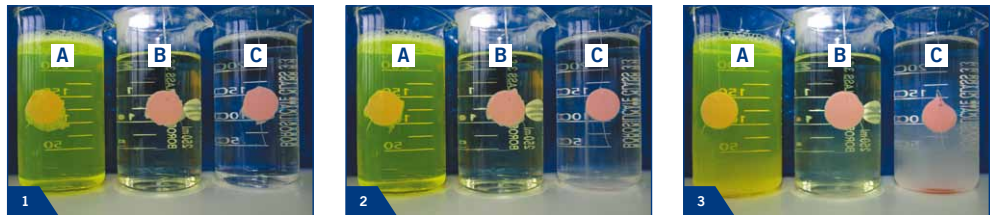

Powerful cleaning effect, especially easy to dose

As a result of the special active ingredient combination, Traypurol tabs are faster and more economical than comparable cleaning products. No vigorous stirring is necessary, the tabs automatically dissolve when placed in water.

A = Coe® Tray Cleaner, GC

B = Algilock Cleaner Plus, Hager Werken

C = Traypurol tabs, VOCO

Initial situation

... after 30 min. visible alginate removal only with Trayputol tabs

... after 150 min. clearly visible alginate removal with Traypurol tabs

VOCO internal test: cleaning solution prepared according to manufactures' instructions, subsequent comparison of cleaning power utilizing an alginate test body.

Gentle to material

- Suitable for all rustproof metals (including aluminium) and plastics
- Bio-degradable
- pH-neutral
